

Town of Auburn

Joey Robie Pearson

2008 Annual Report

The Griffin Free Public Library
(Front Cover)

In 1893 Sebastian Griffin gifted the Griffin Library/Museum to the Town of Auburn. The building was without central heat, indoor plumbing, and had a total of 1,300 ft. to hold a book collection of over 16,000 volumes and museum items. In 1998 a grassroots effort led by The Library Trustees, interested citizens and The Friends of The Library initiated an expansion program. Extensive fund raising allowed for the addition of another 640 sq ft and to install heat and plumbing without burdening the Auburn tax payers. Many of the trades people from the town gave their talent and treasure for the cause. On May 4, 2003 the Library was rededicated to the town, a testament of how people can work together to achieve a common goal for their community.

Dog Ordinance

- A. **Restraint:** All dogs shall be restrained from running at large within the limits of town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
- B. **Penalty:** Any persons, firm or corporation in violation of any provisions of this ordinance shall, upon conviction, be fined not more than twenty-five dollars (\$25.00) for the 1st offense.

To Report a Fire - Dial 911

RSA 125-N prohibits residential trash burning.

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is snow covered.

Permits may be obtained from the Auburn Fire Department for grass, brush, campfires, etc.

Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 a.m. and after 5:00 p.m. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Snow Removal Ordinance

Any persons found shoveling and/or plowing snow on to or across town roads, so to impede with normal snow removal operations, will be subject to a penalty not to exceed \$25.00 per occurrence.

Parking During Snow Storms

- A. From November 2nd to April 1st of each year no persons shall park any motor vehicle on any public highway between the hours of 11:00 p.m. and 8:00 a.m. or at any time in such manner as to impede snow removal operations.
- B. Any vehicle parking in violation of Section A hereof may be towed by the road agent, the chief of police or their agents or by an independent contractor engaged by the road agent or the chief of police. Any vehicles so towed shall be stored and released to the owner only upon payment by the owner of the cost of towing and storage.
- C. Any persons violating Section A hereof shall be subject to a penalty not to exceed twenty-five dollars (\$25.00) for each offense.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified that the **First Session** of the annual Town Meeting will be held in the gymnasium of the Auburn Village School in Auburn New Hampshire on **Saturday, February 7, 2009, at 1:00 p.m.**, for the explanation, discussion and debate of each Warrant Article, and to transact all business other than voting by official ballot. Warrant articles may be amended at this session per RSA 40:13, IV, subject to the following limitations:

- (a) Warrant Articles whose wording is prescribed by law shall not be amended.
- (b) Warrant Articles that are amended shall be placed on the official ballot for final vote on the main motion as amended..

You are hereby notified that the **Second Session** of the annual Town Meeting will be held in the gymnasium of the Auburn Village School in Auburn New Hampshire on **Tuesday, March 10, 2009**, beginning at **7:00 a.m.** and ending at 7:00 p.m. to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot and to vote on all Warrant Articles as accepted or amended by the First Session.

First: To bring your ballots for:

Selectman for three years
Town Treasurer for three years
Auditor for two years
Highway Agent for three years
Library Trustee for three years
Cemetery Trustee (Auburn Village Cemetery) for two years
Cemetery Trustee (Auburn Village Cemetery) for three years
Cemetery Trustee (Longmeadow Cemetery) for three years
Trustee of the Trust Funds for three years
Police Commission for three years

Second: Are you in favor of adopting the new Zoning Ordinance and Zoning Map as proposed by the Planning Board? (The adoption of the above will repeal the present Zoning Ordinance and Zoning Map and replace them with the above.) (The full text of the proposed Ordinance and the proposed Map are posted and available for inspection at the Town Hall.) **(Recommended by the Planning Board) (By Official Ballot)**

Third: Are you in favor of adopting elderly housing regulations in the Town of Auburn, as proposed by the Planning Board? (Upon adoption the elderly housing regulations will become Article 8 of the Zoning Ordinance if the new Zoning Ordinance proposed as the first amendment passes, or, if the first proposed amendment fails, will become a new Article 3.25 of the existing Zoning Ordinance). (The full text of the proposed regulations are posted and available for inspection at the Town Hall). **(Recommended by the Planning Board). (By Official Ballot).**

Fourth: "Shall the Town accept the prime wetland designations of 36 wetlands contained in Tiers 1, 2A, 2B and 3 of the "Town of Auburn Prime Wetlands Inventory" as recommended by the Town of Auburn Conservation Commission, and further accept and approve the maps, designations and documentation of prime wetlands in the Town of Auburn as undertaken in 2008 by the Town of Auburn Conservation Commission in accordance with NH RSA 482-A:15, with the recognition that the manipulation by public utilities of water levels associated with the public water supply may continue in these areas?" **(By Official Ballot) (Not Recommended by the Planning Board)**

Fifth: To see if the Town will vote to raise and appropriate the sum of One hundred-eighty-seven thousand eight hundred sixty dollars **(\$187,860)** for road and drainage system improvements at the intersection of Wilson Crossing Road and Hunting Road, on a portion of Rockingham Road, and at the intersection of Chester Turnpike and Hook Road; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$140,895 to be received through Hazard Mitigation Program Grants from the State of New Hampshire and FEMA, with the balance of \$46,965 to be raised by taxes. And further to authorize the Board of Selectmen to do all things necessary to carry out the purposes of this appropriation. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Sixth: To see if the Town will vote to raise and appropriate the sum of One hundred thousand dollars **(\$100,000)** to continue wastewater planning efforts begun in 2008 by developing an Inter-Municipal Agreement to provide wastewater service and to design and permit the connection between Dartmouth Drive / Wellington Business Park and the City of Manchester system on By-Pass 28; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$10,000 to come from a Community Technical Assistance Program grant from the NH Department of Transportation; \$20,000 to come from a State Matching Grant through the NH Department of Environmental Services, \$10,000 to come from an Economic Development Grant to come from the Rockingham Economic Development Corporation, and furthermore to authorize the use of \$60,000 from the unreserved fund balance (surplus) as of December 31, 2008. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Seventh: To see if the Town will vote to raise and appropriate the sum of Seven thousand dollars **(\$7,000)** to purchase a second Accuvote machine for the Town of Auburn to be used for Auburn voting processes beginning in March 2010. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the voting machine is purchased or by March 31, 2010, whichever is sooner. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Eighth: To see if the Town will vote to raise and appropriate the sum of \$175,000 to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. This sum to come from the unreserved fund balance (surplus) as of

December 31, 2008 and no amount to be raised by taxation. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Ninth: Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,339,440? Should this article be defeated, the default budget shall be \$4,316,133, which is the same as last year with certain adjustments required by previous action of the Town of Auburn or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Tenth: To transact any other business that may legally come before the Town Meeting.

Given under our hands and seals this 19th day of January 2009.

The Selectmen of the Town of Auburn

Russell C. Sullivan, Chairman

James F. Headd, Selectman

Paul M. Raiche, Selectman

BUDGET OF THE TOWN WITH A MUNICIPAL BUDGET COMMITTEE

OF: AUBURN

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2009 to December 31, 2009

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): January 22, 2009

BUDGET COMMITTEE

Please sign in ink.

DEFAULT BUDGET OF THE TOWN

OF: AUBURN

For the Ensuing Year January 1, 2009 to December 31, 2009

or Fiscal Year From _____ to _____

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

**TOWN OF AUBURN
DELIBERATIVE SESSION
FEBRUARY 7, 2009**

The Annual Deliberative Session for the Town of Auburn, New Hampshire was called to order by the Moderator, C Donald Stritch, at 1:00pm. There were sixty registered voters in attendance. The Moderator explained the rules for the meeting and the meeting began with the Pledge of Allegiance.

Articles **One** through **Four** will be voted on by official ballot on Tuesday, March 10, 2009.

Fifth: To see if the Town will vote to raise and appropriate the sum of One hundred-eighty-seven thousand eight hundred sixty dollars (**\$187,860**) for road and drainage system improvements at the intersection of Wilson Crossing Road and Hunting Road, on a portion of Rockingham Road, and Hook Road; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$140,895 to be received through Hazard Mitigation Program Grants from the State of New Hampshire and FEMA, with the balance of \$46,965 to be raised by taxes. And further to authorize the Board of Selectmen to do all things necessary to carry out the purposes of this appropriation. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Motion was made by Michael Dross to accept the article as written, seconded by Russell Sullivan.

Discussion was held on the article. Vote was taken and Article Five will appear on the ballot **AS WRITTEN**.

Sixth: To see if the Town will vote to raise and appropriate the sum of One hundred thousand dollars (**\$100,000**) to continue wastewater planning efforts begun in 2008 by developing an Inter-Municipal Agreement to provide wastewater service and to design and permit the connection between Dartmouth Drive / Wellington Business Park and the City of Manchester system on By-Pass 28; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$10,000 to come from a Community Technical Assistance Program grant from the NH Department of Transportation; \$20,000 to come from a State Matching Grant through the NH Department of Environmental Services, \$10,000 to come from an Economic Development Grant to come from the Rockingham Economic Development Corporation, and furthermore to authorize the use of \$60,000 from the unreserved fund balance (surplus) as of December 31, 2008. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

The Article was moved by Jim Headd and seconded by Russell Sullivan.

Everett Harriman questioned if the abutting residential properties would be required to tie into the sewage system.

Jim Headd explained that it will not be compulsive for existing systems to tie in unless or until the existing septic system fails. At that time the resident would be required to tie in to the new system. He further explained that this stipulation is already stated in the law; therefore, there would be no need to amend the article.

Vote was taken and Article Six will appear on the ballot **AS WRITTEN**

Seventh: To see if the Town will vote to raise and appropriate the sum of Seven thousand dollars (\$7,000) to purchase a second Accuvote machine for the Town of Auburn to be used for Auburn voting processes beginning in March 2010. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the voting machine is purchased or by March 31, 2010, whichever is sooner. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Seven was moved by Joanne Linxweiler and seconded by Susan Jenkins. There was no discussion. Vote was taken and Article Seven will appear on the ballot **AS WRITTEN**.

Eighth: To see if the Town will vote to raise and appropriate the sum of \$175,000 to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. This sum to come from the unreserved fund balance (surplus) as of December 31, 2008 and no amount to be raised by taxation. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article was moved by Susan Jenkins and seconded by Paula Marzloff

Russell Sullivan spoke to the article explaining the improvement needs for the Town Hall. Discussion was held on the article. Vote was taken and Article Eight will appear on the ballot **AS WRITTEN**.

Ninth: Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,339,440? Should this article be defeated, the default budget shall be \$4,316,133, which is the same as last year with certain adjustments required by previous action of the Town of Auburn or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Article was moved by Paul Raiche and seconded by Russell Sullivan. There was no discussion. Vote was taken and Article Nine will appear on the ballot **AS WRITTEN**.

Tenth: To transact any other business that may legally come before the Town Meeting.

Harland Eaton made a motion to adjourn. The meeting adjourned at 1:40pm

Respectfully Submitted,

Joanne T. Linxweiler,
Town Clerk

**ANNUAL TOWN MEETING
AUBURN, NEW HAMPSHIRE
2008**

The Annual Meeting for the Town of Auburn, New Hampshire, was called to order by the Assistant Moderator, Albert Samson, at 7:00am on Tuesday, March 11, 2008. Voting proceeded until 7:00pm.

The business meeting was adjourned to Saturday, March 15, 2008, at 1:00pm to take up Articles Five through Seventeen.

Articles One through Four were decided on the Official Ballot on Tuesday, March 11, with the following results: 881 (13 absentee) voted. 19 residents registered to vote on election day, making the total number of registered voters 3,777.

First:

Selectman for three years	Paul M. Raiche	530*
(*denotes winner)	Harland Eaton	318
5 Write-ins		
Town Moderator for two years	C. Donald Stritch	783
6 Write-ins

1 Write-in		
Tax Collector for three years	Kathleen A. Sylvia	793
Town Treasurer for one year	Linda Zapora	786
2 Write-ins		
Library Trustee for three years	David S. Griffin	795
1 Write-in		
Cemetery Trustee (Auburn Village) for three years		
100 Write-ins:	David Griffin – 9	
	John Karpinski – 8	
	Scott Norris – 6	
	A smattering of single votes	
Cemetery Trustee (Longmeadow) for three years	Lorraine P. Senechal	754
1 Write-in		
Trustee of the Trust Funds for three years	Howard Burgess	751
Supervisor of the Checklist for six years	Susan N. Jenkins	762
2 Write-ins		
Police Commission for three years	Hubert J. Topliff	742
6 Write-ins		

Second: Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Auburn on the second Tuesday of March?

YES 538
NO 308

Third: Are you in favor of changing the term of the elected town treasurer from one year to three years, beginning with the term of the town treasurer to be elected at next year's regular town meeting?

YES 624
NO 220

Fourth: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board, in conformance with NH RSA 675:1, et seq. and include the following:

1. Are you in favor of amending Section 3.04, Sanitary Protection (1)(b) to read as follows:

(b) All septic systems shall be at least 125 feet from a private dug well, surface water and any wetland except when a lesser set back will provide protection of these areas and their uses, provided conclusive evidence of that protection has been submitted to and approved by the Planning Board. A septic system shall be located outside the protective well radius for a private drilled well as established from time to time by the State of New Hampshire Department of Environmental Services' regulations.

YES 516
NO 326

2. Are you in favor of amending Section 3.14, Watershed Protection Regulations, 2. Watershed Protection Area to insert the following sentences prior to the last sentence:

The Watershed Protection Area boundary shall be delineated with a plastic snow fence or similar obvious barrier during any development phase such that no land clearing or forest harvesting shall take place within the Watershed Protection Area. Posting of the boundary by the applicant/developer shall occur in a manner approved by the Planning Board before the lot is offered for sale or resale.

YES 589
NO 254

3. Are you in favor of the amending the Zoning Map.

To change the zoning in the area bounded by Beaver Brook Road, State Route By-Pass 28, and the Auburn Town line from the current Residential-2 Zone (R-2) to the Commercial-2 Zone (C-2) and to amend the Official Zoning Map for the Town accordingly.

YES 485

NO 334

4. Are you in favor of amending 2.02, Words and Terms, 36. Home Business, the second sentence, to insert the italicized terms to read as follows:

36. Home Business.... In addition, any home business shall be conducted within the dwelling, shall not utilize outdoor storage visible to surrounding properties and shall not be a source of undue nuisance to neighbors by reason of noise, dust, glare, traffic, *pick-ups and/or deliveries*, vibration, *broadcast interference* or other disruptive influences.

YES 541

NO 302

5. Are you in favor of amending 4.08, Industrial, 2. Uses, Special Exceptions, to permit a "Multi-Unit Commercial Service Establishment" in the Industrial "T" zone by special exception and to amend the Table of Uses in Appendix A, accordingly.

YES 479

NO 294

6. Are you in favor of the adoption of Amendment No. 6 as proposed by petition of the voters of the Town of Auburn as follows:

Amend Section 2.02, Words and Terms, to add a new definition entitled:

"Christmas Tree Stand": A seasonal commercial business allowed by special exception for the sale of Christmas trees and wreaths which shall be limited in duration to no more than 40 days per year, which shall either be the sole permitted use or shall be accessory to any other permitted use on the lot, and which shall be owned and operated by the owner of the lot. Signage and lighting shall be temporary in nature and shall be removed at the close of each seasonal use. Temporary signage shall not be placed in the Town Right-of-Way and shall be limited to one sign, not exceeding 16 square feet in size. The Zoning Board may impose such further conditions on any special exception permitting the use as it deems appropriate, including, but not limited to, restrictions and or conditions on the number of employees, parking, off-site parking, road-side parking, lighting, temporary structures or trailers, temporary sanitation facilities and temporary decorations. Any new use on the lot, or application for a new use, shall require a review of this special exception by the Zoning Board to ensure that the circumstances under which the special exception was granted have not materially changed by virtue of the new use.

Amend Article 4.0 District Regulations to permit a "Christmas Tree Stand" by special exception in all zones in the Town by adding "Christmas Tree Stand" to the list of uses

allowed by special exception in each zone, and further to amend the Table of Uses in Appendix A, accordingly.

YES 625
NO 211

The Proposed Amendments listed are submitted by a petition from 25 or more voters from the Town of Auburn.

7. Are you in favor of the adoption of Amendment No. 7 as proposed by petition of the voters of the Town of Auburn as follows:

Amend the Town of Auburn Zoning Map by re-zoning from Residential Two (R-2) to Commercial Two (C-2) the property owned by Norman E. Bouley, Jr., located at 44 Bunker Hill Road (Tax Map #7, Lot #16-2) to conform with the "Adjacent" commercial (C-2) zone.

(Not Recommended By The Planning Board)

YES 383
NO 467

On Saturday, March 15, 2008, the Moderator, C. Donald Stritch, opened the reconvened meeting at 1:00pm. There were 136 registered voters in attendance. Each voter was checked in on the checklist and given a voter ID card to be used when a vote was called. The meeting began with the Pledge of Allegiance. The Moderator announced the rules of the meeting and read the results of Article One through Four which were voted on by the official ballot on Tuesday, March 11, 2008.

Fifth: To see if the Town will vote in accord with NH RSA 72:27-a to modify the current Optional Veteran's Property Tax Credit of \$300 by increasing the credit to the maximum allowed Optional Veterans Tax Credit of \$500 and further to determine eligibility for the credit in accordance with NH RSA 72-28. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Five was moved by Jim Headd, seconded by Harland Eaton. Jim Headd spoke to the article. There was no discussion, vote was taken and **Article Five Passed.**

Sixth: To see if the Town will vote to raise and appropriate the sum of Two hundred-four thousand three hundred and ten dollars (**\$204,310**) for the replacement of a portion of the Chester Turnpike Bridge; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to \$163,448 to be received through the Bridge Aid Program Grant from the State of New Hampshire and \$40,862 from Disaster Assistance Funds received for the April 2007 floods. And further to authorize the Board of Selectmen to do all things necessary to carry out the purposes of this appropriation. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Six was moved by Harland Eaton, seconded by Russell Sullivan. Harland Eaton addressed questions on the article. There was no further discussion. Vote was taken and **Article Six Passed.**

Seventh: To see if the Town will vote to raise and appropriate the sum of Sixty-one thousand four hundred ninety-five dollars (**\$61,495**) for road and drainage system improvements at the intersection of Harvard Drive and Hooksett Road; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$37,987 to be received through a Hazard Mitigation Program Grant from the State of New Hampshire and FEMA, with the balance of \$23,508 to be transferred from the unexpended fund balance (surplus) as of December 31, 2007. And further to authorize the Board of Selectmen to do all things necessary to carry out the purposes of this appropriation. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Article Seven was moved by Harland Eaton and seconded by Jim Headd. Harland Eaton spoke to the article. There was no discussion. Vote was taken and **Article Seven Passed.**

Eighth: To see if the Town will vote to raise and appropriate the sum of One hundred six thousand six hundred fourteen dollars (**\$106,614**) for road and drainage system improvements on Chester Turnpike; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, a minimum of \$44,434 will be received through a Hazard Mitigation Program Grant from the State of New Hampshire and FEMA, with the balance of \$62,180 to be transferred from the unexpended fund balance (surplus) as of December 31, 2007. And further to authorize the Board of Selectmen to do all things necessary to carry out the purposes of this appropriation. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Article Eight was moved by Harland Eaton and seconded by Russell Sullivan. Harland Eaton addressed the article. There was no discussion. Vote was taken and **Article Eight Passed.**

Ninth: To see if the Town will vote to raise and appropriate a sum not to exceed Eighty-eight thousand two hundred thirty six dollars (**\$88,236**) for the Town's share of reconstructing municipal roads and bridges or portions thereof destroyed by floods in April 2007; and to authorize the selectmen to accept and expend grants of federal or state aid, or both, as may be available and to do all things necessary to carry out the purposes of this appropriation. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Article Nine was moved by Harland Eaton and seconded by Jim Headd. Harland Eaton

responded to questions on the prioritizing of roads and bridges to be repaired. **Vote was taken and Article Nine Passed.**

Tenth: To see if the Town will vote to raise and appropriate the sum of Seventy-five thousand dollars (\$75,000) for a wastewater planning study to be conducted for the Town of Auburn; and to authorize the Board of Selectmen to accept and expend for this purpose grants of federal or state aid, or both, as may be available, including, but not limited to, \$15,000 to come from a Community Technical Assistance Program grant from the NH Department of Transportation; \$15,000 to come from a State Matching Grant through the NH Department of Environmental Services, with the balance of \$45,000 to be transferred from the unexpended fund balance (surplus) as of December 31, 2007. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Ten was moved by Harland Eaton and seconded by Russell Sullivan. Harland Eaton spoke to the article.

Everett Harriman made a motion to amend the article to read “not to exceed the sum of Seventy-five thousand dollars (\$75,000).” Seconded by Paula Marzloff. Discussion was held on the amendment. Vote taken on the amendment and **Amendment Failed.**

Vote was taken on Article Ten, as written. **Article Ten Passed.**

Eleventh: To see if the Town will vote to raise and appropriate the sum of \$75,000 to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. The \$75,000 will be transferred from the unexpended fund balance (surplus) as of December 31, 2007. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article Eleven was moved by Harland Eaton, seconded by Jim Headd. Harland Eaton spoke to the article. Discussion was held on the balance of the unexpended fund. Vote was taken and **Article Eleven Passed.**

At this point in the meeting Selectmen Jim Headd and Russell Sullivan thanked Harland Eaton for his nine years of service to the town as Selectman. He was presented with a plaque in recognition of his service and received a standing ovation.

Twelfth: To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town’s general fund unreserved fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created, and will have no impact on the tax rate. **(Recommended by Board of Selectmen) (Recommended by the Budget Committee)**

Article Twelve was moved by Edward Picard and seconded by David Flight. Chief Picard spoke to the article and addressed questions. Vote was taken and **Article Twelve Passed.**

Thirteenth: To see if the Town will vote to authorize the Board of Selectmen to enter into a maximum seven (7) year lease/purchase agreement for the purpose of acquiring a new Class A 1500 GPM fire pumper truck valued at \$498,854 and equipment valued at \$36,500 to outfit the truck for the Town of Auburn to be used by the Auburn Volunteer Fire Department, and to raise and appropriate the sum of One-hundred-thirty-six thousand-five hundred dollars (**\$136,500**) for an initial payment towards this acquisition in fiscal year 2008. The lease/purchase agreement will contain a non-appropriation clause, and the \$136,500 will be transferred from the unexpended fund balance (surplus) as of December 31, 2007. (**Majority vote required**) (**Recommended by Board of Selectmen**) (**Recommended by the Budget Committee**)

Article Thirteen was moved by Bruce Phillips and seconded by Harland Eaton. Bruce Phillips spoke to the article. There was no discussion. Vote was taken and **Article Thirteen Passed.**

Fourteenth: To see if the Town will vote to request the Board of Selectmen work with appropriate officials to have the programming of the Manchester Community Access Media (MCAM) included in the cable television offerings for cable subscribers in the Town of Auburn. (By petition submitted and signed by at least twenty-five certified petitioners).

Article Fourteen was moved by Will Thomas and seconded by Russell Sullivan. Mr. Thomas spoke to the article and answered questions from the floor. After much discussion, Bruce Phillips made a motion to move the article, seconded by Michael Dann. Vote to end discussion was taken. Vote was in the affirmative to cease discussion. Vote was taken and **Article Fourteen was Defeated.**

Fifteenth: Resolved: We the citizens of Auburn, New Hampshire believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes. (By petition submitted and signed by at least twenty-five certified petitioners).

Article Fifteen was moved by Will Thomas and seconded by Dan Carpenter. Mr. Thomas addressed the article. After lengthy discussion, Barbara Willenbucher made a motion to move the question, seconded by John Willenbucher. Vote to move the question was in the affirmative. Vote was taken and **Article Fifteen was defeated.**

Sixteenth: To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of **\$3,964,851** for general municipal operations, including Town operating charges and legal obligations for the ensuing year. This Article does not include the special or individual Articles addressed above. **(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)**

Article sixteen was moved by Jim Headd, seconded by Lewis Theos. Jim Headd made a motion to amend the article to include an additional \$250,000 for highway winter maintenance and \$3,400 for lawn mowing and clean-up of town properties. Amendment was seconded by Russell Sullivan. Jim Headd explained the need for the increase to the budget. **Vote was taken on the amendment to add \$253,400 to the budgeted amount and the amendment passed.**

Everett Harriman made a motion to amend Article 16 as follows: "The line item appropriation for Parks & Recreation is changed to \$52,000." Seconded by Paula Marzloff. Discussion was held on the proposed amendment. **Vote was taken and the amendment failed.**

Vote was taken on Article 16, as amended – total appropriation of **\$4,218.251**. **Article sixteen, as amended, passed.**

Seventeenth: To transact any other business that may legally come before the Town Meeting. At this time Selectman, Harland Eaton addressed the town and thanked all who volunteer their time to help run the various departments and committees.

Mr. Ernest Allard asked the Selectmen about the runoff of water affecting his property. He was informed that it is now being studied by the town engineer and will be taken up at a future Selectmen's meeting.

Mr. Gary Michaud made a motion to sell the property acquired by the School district and put the proceeds in the town's general fund for the purpose of decreasing the property taxes. The motion was ruled out of order by the Moderator.

A motion to adjourn was made by Veneta Cleary, seconded by Frank Case. The meeting was adjourned at 3:20 pm.

Respectfully submitted,

Joanne T. Linxweiler
Town Clerk

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Auburn:

We are pleased to submit this annual report to the citizens of Auburn. Through the pages of the 2008 Auburn Annual Report, you will read of the activities and accomplishments of all of our Town departments, boards, commissions and officers during the past year. All of these individuals have served the interests of our community well during the past year, and we hope you will take the time to read through this Annual Town Report.

Perhaps the biggest event in 2008 was the most recent ice storms that struck much of New Hampshire in mid-December. Despite some at times dangerous conditions, Road Agent Mike Dross and his crew did an excellent job in maintaining our roads in as safe condition as possible throughout this event. And the members of the Auburn Volunteer Fire Department and Auburn Police Department are to be commended for their public safety checks and activity throughout the event, which is being considered for a Presidential Disaster Declaration as we write this report.

For our Board, one of the major areas of focus has been the effort into looking at the potential of wastewater service to portions of Auburn. Unlike most Granite State communities, Auburn is not looking at this endeavor because of existing environmental issues or pollution sources that have been detected. For Auburn, the focus has been on the economic development potential that could come to our community if sewer service was available to those areas designated as commercial and industrial zones.

In 2008, we have worked with consulting engineers, the City of Manchester, the Town of Hooksett and the NH Department of Environmental Services to determine what potential Auburn has based on current land use scenarios, and how Auburn might most efficiently approach this endeavor. Largely, the users of the waste water system would pay for its operation, but the Town would have to be the conduit for such an undertaking. It can not be strictly a private sector approach.

We clearly have more work to do in this area in 2009. Ultimately, it will be the voters of Auburn who will determine whether this ever becomes a reality.

It has been an honor for us to work on your behalf in managing the affairs of our community. The confidence you have demonstrated by electing us to the Board of Selectmen is a responsibility we take seriously. We have worked hard to always try to communicate with each other and the public in an effort to address matters in a constructive manner. Even though we may not always agree with each other, we have tried to reach decisions that are good for the community as a whole.

To all Town officers, employees and volunteers, we express our sincere appreciation for your continued dedicated service to the citizens of Auburn. Please keep up the good work!

Russell C. Sullivan

James F. Headd

Paul M. Raiche

AUBURN BOARD OF SELECTMEN

REPORT OF THE TOWN ADMINISTRATOR

It is my pleasure to be able to submit this report to the residents of Auburn as your Town Administrator. As we write this message, town government officials, department heads and staff have focused a considerable amount of time and effort to the new budgeting and Town Meeting process the voters chose earlier this year with their approval of “Official Ballot Voting”, commonly referred to as SB 2.

In March 2008, voters decided to cease the traditional March Town Meeting in favor of holding an earlier deliberative session to be followed by official balloting on all issues in March. The timing of functions is different for everyone involved in the process – from department heads to the Budget Committee members. Work began earlier in the year and had to be finished sooner than normal due to the timing of the February deliberative session. Whether individuals favored or opposed the SB 2 initiative, everyone has worked in an effort to make the new budgeting and voting process work as best as possible for the Town of Auburn. Voters heading to the polls in March have the final responsibility to make this process successful.

After experiencing spring flood conditions in 2006 and 2007, we all were beginning to believe in early December that the town was going to get a reprieve this year. But as you all know, Auburn, like virtually every community throughout New Hampshire, experienced dramatic winter storm and ice conditions in mid-December leading to power outages of up to a week or longer for much of the community.

It is during times like these that you are often see the best in people and the community. And this was the case in Auburn as members of the volunteer Auburn Fire Department spent day and night checking on residents in the community. Road Agent Mike Dross and his crew went for days with little to no sleep while they struggled to clear roads of snow, ice and downed trees. The Auburn Police Department responded to the needs of residents, including a reported attempted home break-in at 3:00 AM Sunday morning during the power outage. Beyond official activities, Auburn residents took it upon themselves to look out for each other. Neighbors helped their neighbors who didn't have power by sharing their generators or inviting folks into their own homes for a shower, a warm meal and comfortable surroundings.

State and federal officials are going through the now familiar process of declaring a federal disaster. Once approved, we will spend a significant amount of time documenting road damage, debris removal and emergency services provided to enable the Town of Auburn to receive federal funding for the majority of these expenses.

As we are closing out 2008, I again “Thank You” for the continued opportunity to be a part of the Town of Auburn.

Respectfully submitted,

William G. Herman, CPM
Town Administrator

ANIMAL CONTROL OFFICER

There were 1197 dogs licensed in Auburn in 2008. The deadline for licensing your dog is April 30th. If your dog is due for a rabies shot after that date, try and make an earlier appointment with your Veterinarian to avoid late fees or a fine.

In 2008, Auburn had one fox that tested positive for rabies. If you observe an animal acting strange, call the Auburn Police Department and we will handle the situation. Auburn is abundant with wild animals such as coyote, fox, bear, fisher, raccoon, deer and many others. If you leave them alone, there should be no problems. Bird feeders are an attraction for all types of animals. They eat the sunflower seeds and can become a nuisance. If you are having a problem, it is best to take the feeders down in the Spring.

This year I had many complains of barking dogs. RSA 466:31, II (b), states; if a dog barks for sustained periods of time, or during the night so as to disturb the peace and quiet of a neighborhood or area. Please be considerate of your neighbors and monitor your dog if it happens to be in the habit of barking for more than one half hour at a time.

Please feel free to call me with a concern or question. I will try to solve the problem as soon as possible.

Sincerely,

Jarlene Cornett

REPORT OF BUILDING INSPECTOR

As expected the Auburn Building Department continued to witness the sluggish housing market with another dip in the number of new home starts during 2008. We would hope it can't go much lower than this year with only 4 new home permits issued. Overall, 325 permits were issued through the department. A breakdown of the major improvement categories include:

Single Family Homes	4	Accessory Dwelling units	2
Commercial Buildings	2	Additions/Garages	18
Barn/shed	21	Pools	9
Electrical permits	66	Decks	15
Plumbing permits	23	Basement finish	5
Heating permits	18	Renovation/remodel	7
Commercial renovation	10	Septic Review	8
Septic Installation	17	Demolition	5
Renewal of permit	15	Propane installation	36
Replacement of structure	2	Chimney/woodstove	24
Generator	6	Foundation only	2

Total revenue generated through the issuance of permits in 2008 was \$25,363.66.

Residents are reminded that permits are required before beginning any construction, alteration or repairs other than normal maintenance. Permits are required for new structures including sheds and above ground or on the ground swimming pools. It is suggested that you call or visit the building inspector's office if you have any questions. Our office is now located on the basement floor of the Town Hall Building. Office hours are Monday through Thursday mornings from 8:00 a.m. – 12 noon. Inspections are conducted by appointment afternoons following office hours.

Please visit the Town of Auburn web site to view general construction guidelines, download a building permit application or use the link to e-mail my office with your general questions.

Respectfully submitted,

Carrie Rouleau-Cote
Building Inspector/Code Enforcement Officer

CONSERVATION COMMISSION REPORT

In the spring, the Conservation Commission hired West Environmental to complete a Prime Wetlands survey for the Town of Auburn. This project was completed in the fall of 2008. The finished document has been received and is available to view at the Town Hall. According to the West Environmental survey, it is recommended that 1,000 acres of the 16,320 total acres in Town be designated as Prime Wetlands. The Conservation Commission has put forth this recommendation to the voters on the 2009 ballot in hopes the residents agree that these lands are the most significant wetlands in town and are deserving of special attention. The designation of Prime Wetlands status will give these areas extra protection when it comes to development. This will also allow the lesser wetlands to not be held to such a stringent standard when developed. Currently, Wetlands are assessed on a graded scale, with science to back up the assessment without regard as to whether or not the wetlands are considered Prime Wetlands.

The Conservation Commission continues to work to obtain easements for land protection. Right now, we are in the process of finalizing one easement for roughly a 75-acre parcel, which will be contingent to land already under an easement. This particular parcel will create a wonderful greenway that will be permanently preserved for our Town. The Conservation Committee is also in the process of refining the Open Space Plan, and intends to work with the Southern New Hampshire Planning Commission on this goal.

The Conservation Commission continues to work with the Planning Board in matters pertaining to wetlands. We are also available to assist landowners with issues regarding land restoration and mitigation.

Conservation Commission Fund Cash Balance Report 2008

Balance from 2007 (Town Book)		\$323,907.75
2007 Current Use	\$ 31,000.00	
Rockingham Registry	(3,339.00)	
Balance January 1, 2008		\$351,568.75
2008 Current Use	\$ 12,500.00	
2008 Interest Income	583.24	
Wetlands Study	(35,135.95)	
Balance December 31, 2008		<u>\$329,516.04</u>

FIRE DEPARTMENT REPORT

This year was a very productive year for the fire department and its 50 dedicated members. We began the year with the town approving an upgrade to its oldest engine. Using the apparatus replacement program the fire department purchased a 2008 E-One fire engine out of Ocala Florida. This engine replaces a 20 year old engine that is housed at the Pingree Hill Rd Station. On the apparatus issue, after 5 years of trying to replace the now out of service Tanker-1, which was built by the fire department in 1992, we were successful this year in receiving a \$250,000 grant from the Federal Government to purchase a new 2,500 gallon tanker. Of this the Town had to come up with \$12,500 for its share, not a bad investment. This tanker will be stationed at Pingree Hill. With this replacement it brings our fleet back to its normal compliment. Over the past 6 years the Auburn Fire Department has been successful in receiving over \$300,000 in Fire Act Grants which has replaced Breathing Apparatus, Protective Clothing, Pagers and now a new tanker. We also accepted a physical Fitness Grant for \$1,800 to update workout equipment in the workout room. So as you can see we have been active on pursuing funding to help offset the town budget and keep the taxes down.

During the most recent ice storm the members of the fire department logged over 800 hours of service to the community. These duties ranged from cutting trees with the road agent, pumping cellars, providing temporary power to homes, checking on the elderly, manned the emergency operation center and shelter and of course chased several wires down calls. These men and woman made a considerable sacrifice from their families to see that the town was well protected and should be commended.

Once again with the help of private donations the Auburn Fireman's Association was able to purchase fire prevention material to be used in the schools, day care and most of all our Fire Prevention Open House. This is always a great way for the towns people to come out and get educated on the most recent fire prevention issues but also gives them a chance to come and see where their tax dollar goes.

As always the Auburn Fire Department strives to provide Clean Dependable Service at a Reasonable Cost.

Chief Bruce Phillips

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

GRIFFIN FREE PUBLIC LIBRARY

2008 was a busy year for The Griffin Library as it strives to accommodate the requests of patrons and circulation increase. Policies have been reviewed and rewritten as needed. The last of the museum pieces have been cataloged.

Improvements include the addition of three new computers with Internet ability for the public. Thanks to funding provided by a successful Multimedia/Book Sale last July, the literature collection and the popular Books On Tape for adults and children have been expanded.

Duffy Smiley directed thirty children during the 2008 Summer Reading Program entitled, A G'Day for Reading featuring an Australian Theme. A free kick off show as presented by Mr. Phil in June at the AVS gym and was opened to the public. The library also held several Teddy Bear Evening Storytimes, assisted by the Girl Scouts. The Tuesday and Thursday Storytimes continue to be very popular with the young patrons.

Director Edie Cummings attend two CHILIS workshops, along with the library staff attended the NETA conference, and also attended the NHLA in May with the Trustees.

From June until late fall several very well attended gardening workshops were given to the public my Master Gardener Julie Nadeau. In November the library sponsored two made your own wreath sessions taught by Marie Rooney at the Safety Complex.

The Trustees and Library Director would like to thank the Auburn Community for their continued support and patronage throughout the year.

Respectfully submitted,

Trustees, David Griffin, Nancy Mayland, Fay Hanscomb

HEATH OFFICER REPORT – 2008

The Town of Auburn Health officials are available to answer questions regarding general public health matters and address public nuisance concerns. In recent years there has been a lot of information in the media regarding many public health issues. As local officials with limited resources we rely on State agencies and surrounding communities to share information and expertise.

During the past year representatives from the Town of Auburn and surrounding communities met to discuss regionalizing public health services. The initial planning under the direction of the Manchester Health Department would coordinate and streamline services in the event of a significant public health emergency. This would be a collaboration of services, personnel and facilities between the towns of Auburn, Candia, Deerfield and Chester.

In the spring and fall of each year training sessions are held for instruction and legislative updates through the NH Department of Health and Human Services. Again topics included Public Health Regionalization, Pharmaceuticals and the Environment, Outdoor Wood Fired Boilers (Outdoor Furnaces) and current issues in public health such as West Nile Virus, Triple E and Lyme disease.

Residents are encouraged to visit the Town of Auburn web site or contact the Health Officer for “fact sheets” and guidelines. Town offices receive emergency public health notices via e-mail through the New Hampshire Department of Health and Human Services as well as the Manchester Health Department on a regular basis. We are your local resource to ask questions or offer direction to the proper State Agency if you have a matter concerning public health, foster care inspections, childcare inspections and various testing guidelines relative to water and air quality.

The Auburn Health Officer and Deputy Health Officer can be reached by contacting the Auburn Board of Selectmen’s Office at 483-5052.

Carrie Rouleau-Cote
Health Officer

Lt. Linda Wilking
Deputy Health Officer

**Auburn Highway Safety Committee
Annual Report
January 2009**

The Auburn Highway Safety Committee meets on the third Wednesday of most months at the Auburn Town Hall at 7:00 p.m. The Committee consists of members of the community, the Road Agent, representatives from Fire, Police and Selectmen's Office. The Committee reviews grants, prioritizes highway safety concerns, makes recommendations to the town departments, board and the Selectmen's Office.

The Police Department in 2008 held 12 sobriety check points, roving patrols, laser patrol and 101 patrol and also received \$40,000 in grants from the New Hampshire Highway Safety Department. We are also pleased to report there were no fatalities in the year 2008.

One of our priorities in 2008 was the striping of all the center and edges of the arterial roads in town. Several new stop signs were either replaced or refaced during the course of the year. The catch basins and culvert mapping for storm water is also being finalized.

During winter snow removal no vehicles should be parked on the street. Also when removing snow from driveways please make sure you do not leave driveway snow in the street.

The Highway Safety Department is always working towards correcting any site distance problems within the Town. If you have any concerns about certain roads, please feel free to come to our meeting or send a letter in regards to these. The Road Agent and Town Administration are aggressively working with FEMA to fund repairs and make safety improvements.

The Highway Safety Committee invites the public to attend meetings or bring their concerns to any of the Committee members.

Committee Members

Mike DiPietro, Fire Department Representative
Eva Komaradis
Dan Carpenter
Mike Dross, Road Agent
Lt. David Flight, Police Dept Representative
Paul Raiche, Selectmen Representative
Kim DesRuisseaux, Secretary

PARKS AND RECREATION COMMISSION

The year 2008 saw a lot of firsts for Parks and Recreation. While we continued to improve the status of the playgrounds and playing fields, we were also able to offer some new programs to the town. We have increased our presence and functionality on the town website by posting pictures of projects, forms, calendars and announcements.

We made numerous upgrades and repairs to all the parks this year. At Circle of Fun we did minor repairs and seal coated the wooden equipment. We shored up the supports under the big structure there as well as addressed the drainage issues and installed woodchips under the swings for cushion. Our Facilities Supervisor, Armand Michette, has taken over the duty of patrolling all the parks for litter and they have all remained very clean. We removed some unsafe equipment from Appletree Park, paved the basketball court and added a parking area and a ride on toy. We worked with Manchester Water Works regarding the ice rink to expand our contract so that basketball hoops could be installed which will be done in the Spring of 2009. One of the biggest projects of the year took place at Wayne Eddows. In our efforts to comply with ADA regulations, we paved a walkway to the restrooms (including ramps) and concession stand. We replaced the front gate, and supplied shingles, plywood and paint for dugout facelifts. We installed two new benches for the soccer field to replace the broken ones so the teams may have a place to sit.

We held our first ever Plant swap in June and the first Town Field Trip to Liquid Planet Water Park in Candia in July. The Senior trip program remains strong. The seniors went to Newport , RI in the spring, Clarks Trading Post in the summer, and the Hobo railroad in the Fall. Parks and Rec continues to sponsor a portion of the senior dinner that is held at Longmeadow Church.

Parks and Rec met with the Massabesic Audubon Center in July to discuss how to work together to help residents take advantage of all the center has to offer. We were amazed at how much was going on over there for all ages. We have agreed to assist them with publicity to make residents aware of all the wonderful offerings over there.

The biggest new event of 2008 was the first annual Auburn Movie Night. This was held at Wayne Eddows field in September and there were approximately 800 in attendance for a movie, pony rides, barbecue, live music and fireworks. A good time was had by all and almost \$1000 was raised for new playground equipment.

We had a few changes in our sports programming this year. The Manchester YMCA continues to run its recreational soccer league and this year added lacrosse in the spring. There has been a travel soccer team formed, and plans are in the works to create a travel league over the winter.

The Eagle Scout candidates continued to be a huge asset to our parks this year. Candidate David Pelton installed three flagpoles and flags at Wayne Eddows Fields, and replaced an existing tattered flag. Candidate Mike Anderson also chose Wayne Eddows and installed three bat houses to combat the mosquito population. Candidate Doug Young constructed and installed a bench with a roof at the ice rink, a structure to conceal the portajohn, and completed a major clean up and improved upon landscaping. The projects involve planning, fundraising, coordination volunteer efforts and getting the project approved by the town and the Boy Scout Board. The Department of Parks and Recreation thanked the Eagle Scout Candidates formally by presenting them with a plaque at our August meeting.

We are also looking forward to our 2009 Eagle Scout projects.

Our citizen of the year this year was Norm Bouley. Thank you to Norm for the countless hours you devote to Auburn in the spirit of volunteerism. Others nominated were Karl Mike Dobmeier, Jack Chapman, and Bob Collins. The town hall created a committee to review these nominations using a new scoring system because they were all so deserving.

Thank you to all our volunteers without your effort these projects would not be possible.

Respectfully,
Norm Bouley, Chairman
Yves Pariseau, Vice Chairman
Alex Eisman, Commissioner
David Nye, Commissioner
Scott Kormaridis, Commissioner
Jim Headd, Selectmens Representative
Margie McEvoy, Alternate Commissioner
Lisa Canavan, Alternate Commissioner
Armand Miclette, Facilities Supervisor

AUBURN PLANNING BOARD **Annual Report 2008**

In 2008, the all volunteer Board approved the following:

Site Plans	4	Subdivisions	6
Bond Releases/Reductions	7	Lot Line Adjustments/Mergers	1
Septic setback waivers	1	Informal Discussions	15
Forestry Management Plans	1		
Excavation permits (renewals)	3		

In 2008, the Planning Board further discussed a village center, elderly housing and how the town is handling “cluster” developments as well as open space. As the board moves forward with these discussions, the Planning Board will be conducting a comprehensive review of the Zoning Ordinances to meet the goals of the town. At the beginning of 2008, The Planning Board in conjunction with Southern New Hampshire Planning Commission completed the Master Plan. The Capital Improvement Plan was approved by the Planning Board on May 21, 2008 to meet the future needs of the town. The Master Plan and Capital Improvement Plans are posted on the town website and are also available for viewing at the Planning Office.

Public meetings are generally held every Wednesday evening at 7:00 p.m., with Public Hearings held on the third Wednesday of the month, beginning at 7:30 p.m. The Planning Board has established a submission schedule for public hearings, which can be found under the Forms and Regulations section of the Town of Auburn website. All meetings are open to the public, and the Planning Board welcomes public involvement in the planning process.

Russell Sullivan, Selectmen’s Representative	
Denise Royce, Secretary	

**AUBURN POLICE
TOWN REPORT
2008**

The year 2008, just like 2007, has passed very quickly with very few changes. Again the Auburn Police Department handled almost 6000 calls for service. The factors that create this remarkable duplication of the 2007 year are as follows. First, the consistency in the longevity of our Officers remains the key factor. This year there were no Officers that left the Auburn Police Department, and one part time Officer was hired to fill a vacancy. Second, the Court Approved Sobriety Check Points have continued to identify the Auburn Police Department as an aggressive force in combating motor vehicle offenses, most notably Driving While Intoxicated. Finally, our continued relationship with local, state and federal law enforcement agencies has maximized the flow of information making the Auburn Police Department an effective law enforcement agency.

The newest Part Time Police Officer is Pam Donley. She is a town resident, who comes to us with some law enforcement experience. She is a member of the United States Coast Guard, and she also worked part time for the New Hampshire Marine Patrol prior to coming to the Auburn Police department. She is already part time certified, which means she will be ready to go on her own once her field training is completed.

The D.A.R.E. program was graciously squeezed in at the Auburn Village School at the end of the 2007/ 2008 school year. Officer Chris Beaulé has become a permanent fixture at the school and receives high grades from the school staff.

The Auburn Police Department has received exceptional praise from the New Hampshire Highway Safety Commission for the success we had during the 2007 year with the Court Approved Sobriety Check Points. Because of that success we were granted and executed ten check points during 2008, resulting in more than 3000 motor vehicle stops, and producing more than 40 arrests. The charges ranged from possession of alcohol, possession of drugs, arrests on warrants, and of course Driving While Intoxicated. Again, Sergeant Pelton and his dog, Rosco, were instrumental in most of the drug arrests. It should also be noted that this activity was not reflected in the total number of calls for service during 2008.

The thing that the citizens of Auburn have gained through its Police Department is the knowledge that it is always professional, and greatly respected throughout the law enforcement community. As Chief of Police of your Police Department, I want to thank every citizen of Auburn for their continued support of the members of this agency, and to pledge to you our continued service to each and every one of you.

REPORT OF THE ROAD AGENT

The past year has been another busy year in Auburn. We had thought we might have a year without any major incident until the ice storm hit in mid-December. It was a hectic and difficult way to finish the year.

Although different from the previous two years of spring floods, the ice storm resulted in a statewide Presidential disaster declaration for New Hampshire. Portions of Auburn were without power for as long as nine days. The ice storm did not result in water and drainage damage as the 2006 and 2007 floods, but the Town incurred significant expense in clearing debris and maintaining roadways throughout the town to enable utility crews the wide access they needed to restore power. As I write this in late January, we are just now sitting down with FEMA and state officials to account for the Town's expenses. At this early juncture, we anticipate the Town will document approximately \$120,000 in ice storm-related work for Auburn. But more work remains to be done in the spring and summer due to several snow storms coming in right after the ice storm and covering a lot of the debris.

Beyond the ice storm-related work, the two largest projects handled in 2008 were the reconstruction of approximately 1,400-feet of Chester Turnpike and a major drainage improvement project at the intersection of Harvard Drive and Hooksett Road. What had initially been anticipated to be a quick repair job turned out to be a major reconstruction effort due to the volume of unsuitable materials that were found in the road base.

We would like to remind all residents that you should please keep items out of the Town's Right-of-Ways (ROW), especially during winter months, so as not to hamper road maintenance efforts. Unfortunately, if you leave vehicles, fencing and other property unattended in the ROW or near the road, there is a chance of damage. With any amount of snow, it only makes the snow removal efforts harder to complete for the safety of the travelling public.

During 2008, the following work on Town roads was completed: Reconstruction of a portion of the Chester Turnpike; Shim and Overlay or paved portions of Chester Turnpike; Haven Drive, Highwood Drive, Hooksett Road, and Wilson Crossing Road; and striped nearly 21 miles of Town roads. In 2009, we are looking at potential road improvement projects for approximately 1,700 feet of Apple Tree Road; 1,700 feet of Meadow Lane and 1,700 feet of Chester Turnpike. With state approvals in hand, the Town should also be working to replace the deck of the bridge on Old Candia Road, and replace a portion of the bridge on Chester Turnpike.

I would like to thank the subcontractors who assisted the Town of Auburn during the past year for their dedicated services to the town. They work many long hours at times in the worst of conditions to everyone's benefit. I would also like to thank the Department heads and the Town Hall staff for their contributions in making Auburn a fine place to live.

Respectfully submitted,

Michael Dross
Road Agent

Report of the Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of the Planning Board and/or Board of Selectmen. The Commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps officials apprised of changes in planning and land use regulation, and in conjunction with the New Hampshire Municipal Association offers training workshops for Planning Board and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

- 1) Co-sponsored the Municipal Law Lecture Series, which was attended by Auburn officials;
- 2) Coordinated topic discussion on Workforce Housing and Conservation; Porous Pavement and Concrete; Amendments to Shoreland Protection Act; Small Energy Systems; Workforce Housing Legislation; and Innovated Land Use Planning Techniques for SNHPC Planners' Roundtable meetings, which were attended by Auburn officials;
- 3) Prepared Capital Improvement Program and Zoning Amendments;
- 4) Prepared and distributed to Auburn Planning Board as part of the CTAP project a Community Planning and Open Space Assessment of the Town's policies and regulations;
- 5) Facilitated Brownfield's Advisory Committee meetings held on February 12, 2008, April 23, 2008, June 18, 2008, and September 18, 2008, which were attended by Auburn officials;
- 6) Conducted traffic counts at 13 locations in the Town of Auburn and forwarded the data to the Town's Planning Board Chair;
- 7) Hosted a special Planning Board Training held on April 22, 2008 for new Planning Board members, focusing on planning board procedures, responsibilities, and planning law;

- 8) Co-sponsored, along with St. Anselm College, a public forum on Commuter Rail with former Governor Michael Dukakis as a presenter;
- 9) Sponsored two Planning Forums: Recent Workforce Legislation on October 8, 2008, and Community Energy initiatives on November 6, 2009;
- 10) Sponsored two meetings with Town Administrators, Public Works Directors, and Road Agents, to discuss the feasibility of establishing purchasing cooperatives;
- 11) Participated in discussions regarding Rockingham County Economic Development Plan held in Exeter, which were attended by Auburn officials;
- 12) Prepared and presented CTAP funded Build-out Scenarios, which were attended by Auburn officials;
- 13) Hosted a Legislative Open House in Concord for Auburn Legislatures on February 5, 2008;
- 14) Sponsored region-wide Water Supply Task Force meetings on March 7, 2008 and November 21, 2008 on the proposed Merrimack River Basin, which impacts Auburn;
- 15) Participated in regional economic development discussions with the Greater Manchester Chamber of Commerce regarding Metro Center, which was attended by Auburn officials;
- 16) Sponsored and facilitated discussion with the Town Administrators, Planners, and local Economic Development Committee Chairs on a regional economic development website;
- 17) Sponsored and coordinated the Conservation Commission Institutes including topics on Sustainable and Integrated Landscaping and Innovated Landscaping Techniques held on February 21, 2008, Regional Conservation Commissions projects held on April 17, 2008, and Merrimack River Watershed Restoration Plan held on July 30, 2008, which were attended by Auburn officials;
- 18) Sponsored and coordinated the Natural Resources Advisory Committee including CTAP Open Space Planning Assessments on October 29, 2008.

Auburn's Representatives to the Commission are:

Charles M. Worster
William G. Herman
Ronald F. Poltak, Alt.

Executive Committee Member
Charles M. Worster

Auburn Zoning Board of Adjustment Annual Report 2008

The Auburn Zoning Board of Adjustment (ZBA) considers applications for Special Exceptions, Variances, and Equitable Waivers. The ZBA also interprets the provisions of the Zoning Ordinance. In addition, when another town official or board makes a decision based on an interpretation of the Zoning Ordinance, that interpretation may be appealed to the ZBA.

Whether an applicant seeks a Special Exception, Variance, or Equitable Waiver, it is imperative that he/she understands the ZBA has very little, if any, subjective powers. The applicant must satisfy all of the four or five requirements, depending on which relief he/she seeks. These requirements are mandated by the State of New Hampshire, and are listed on the application, which the applicant must complete and provide to the ZBA several weeks before the hearing. During the hearing, the ZBA decides whether the applicant has met the requirements.

There's a common misconception that the ZBA has written the Zoning Ordinance, or has the authority to amend it. Neither is true. The Zoning Ordinance is reviewed frequently by the Auburn Planning Board, and amendments are voted upon as warrant articles during the March ballot voting.

The Auburn ZBA meets on demand at 7:00 p.m. on the fourth Tuesday of each month. The meetings are held at the Auburn Town Hall and are open to the public. The public hearings are announced under Legal Notices in *The Union Leader*. Decisions of each hearing are posted at the Post Office and Town Hall. Minutes of each hearing are also posted at the Town Hall and are available on the town website.

During 2008 the ZBA reviewed 28 applications in an eleven-month period. Many of the applications were for multiple requests for relief. Of the 8 special exception requests, 7 were granted and one was denied. Of the 24 variance requests, 16 were approved, one was tabled, two were withdrawn and five were denied. In addition, the ZBA made three decisions with regard to a request for an Appeal of an Administrative Decision; one was approved, two were Denied.

In conclusion, I would like to express my sincere appreciation and thanks to all the members and alternates of the ZBA who give freely of their time, dedication, and expertise on behalf of the Town of Auburn. I would also like to encourage other town residents to consider volunteering and joining the ZBA. If anyone has an interest in joining the ZBA, please contact the Selectmen or stop by the Town Hall.

2008 TOWN BUDGET BREAKDOWN

PLODZIK & SANDERSON

Professional Association/Accountants & Auditors

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Auburn School District as of and for the year ended June 30, 2007, which collectively comprise the Auburn School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Auburn School District as of June 30, 2007, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Auburn School District's basic financial statements. The combining and individual fund schedules are presented for the purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Incorporated: 1845

Origin: This area was first settled in 1720 as part of Chester known as Chester Woods, Chester West Parish, or Long Meadow. It was not incorporated as Auburn until 1845. The name comes from "The Deserted Village" by English poet Oliver Goldsmith, as did Auburns in New York, Massachusetts, and Maine. Auburn includes a large portion of Lake Massabesic, water supply for the city of Manchester and surrounding communities, once a popular resort area.

Villages and Place Names: Hooks Crossing, Severance

Population, Year of the First Census Taken: 810 residents in 1850

Population Trends: Population change for Auburn totaled 3,548 over 50 years, from 1,158 in 1950 to 4,706 in 2000. The largest decennial percent change was a 58 percent increase occurring between 1960 and 1970, followed by a 42 percent increase over each of the next two decades. The 2007 Census estimate for Auburn was 5,157 residents, which ranked 63rd among New Hampshire's incorporated cities and towns.

Population Density and Land Area (NH Office of Energy & Planning): 199.7 persons per square mile of land area. Auburn contains 25.5 square miles of land area and 3.3 square miles of inland water area.

Water Quality Testing for Private Wells

Private Wells

If you have a private well, then water quality testing should be important to you and your family. Some contaminants in drinking water have been linked to cancer and toxicity, posing a risk to human health. Many contaminants often have no taste, odor, or color. Their presence can only be determined by laboratory testing.

While there is no state requirement to have your well water tested (although there may be from your mortgage lender or town), the New Hampshire Department of Environmental Services (DES) recommends that all homeowners with private wells do so.

Contamination of Wells

Well water originates as rain and snow that then filters into the ground. As it soaks through the soil, the water can dissolve materials that are present on or in the ground, becoming contaminated.

Some contaminants are naturally occurring from features found in the rocks and soils of New Hampshire. These include substances like bacteria, radon, arsenic, uranium, and other minerals.

Other contaminants find their way onto the land from human activities. On a large scale, industrial/commercial activities, improper waste disposal, road salting, and fuel spills can introduce hazardous substances to the ground. However, even typical residential activities, such as the use of fertilizers and pesticides, fueling of lawn equipment, and disposal of household chemicals, can contaminate the ground when done improperly. That is why taking measures to protect your well from contamination is so important.

Recommended Tests

The following tests identify common contaminants found in our state's well water. Although more tests could be added, this list provides a cost-effective, reasonable overview of a well's water quality. Contact a certified laboratory for availability and pricing. *It is not necessary to do all of the tests at one time.* (For a list of certified laboratories, visit www.des.nh.gov, go to the A to Z List, and find Laboratory Accreditation.)

◆ Standard Analysis

This basic analysis covers the most common contaminants (see list below). Some of these contaminants pose health-related concerns, while others only affect aesthetics (taste and odor).

◆ Radiological Analysis

New Hampshire's geology contains naturally occurring radioactive elements that dissolve easily in well water. A basic radiological analysis will test for uranium, analytical gross alpha, and radon gas.

Radon is a common well water problem in New Hampshire and testing for it may be required by your lender or your municipality. Presently, there are no federal or state standards for radon in drinking water, only suggested action levels. DES estimates that approximately one-third of private wells in New Hampshire exceed this level, so radiological testing is encouraged.

◆ Volatile Organic Compounds (VOCs)

The most common VOCs come from gasoline compounds (such as MtBE and benzene) and industrial solvents. MtBE can be found in well water even in remote areas.

◆ Additional Tests

Circumstances relative to your well may require additional testing not described here. For instance, DES does not recommend routine testing for things like pesticides, herbicides, or synthetic organic compounds, mainly because of the high cost. However, such testing might be warranted if your water has elevated nitrite/nitrate concentrations or significant amounts of pesticide have been applied near the well.

These less-routine tests may not be performed at all laboratories.

When To Test

DES recommends that regular testing be performed at the intervals shown in the sidebar. Prospective homebuyers should test the water in a home with a private well before purchase.

Water quality in wells is generally stable, and if a change is going to occur, it occurs slowly. Thus the interval between water quality tests, once you've purchased the home, can generally be in terms of years (see chart) if a well is properly constructed and located in a safe area.

However, the following conditions would prompt more frequent testing:

- Heavily developed areas with land uses that handle hazardous chemicals.
- Recent well construction activities or repairs. DES recommends taking a bacterial test after any well repair or pump or plumbing modification, but only after substantial flushing of the water system.
- Contaminant concentrations above state or federal standards found in earlier testing.
- Noticeable variations in quality like a water quality change after a heavy rain or an unexplained change in a previously trouble-free well (i.e. funny taste, cloudy appearance, etc.).

When taking any sample, DES recommends that it be taken after a heavy rainstorm. These events tend to highlight conditions of improper well construction or poor soil filtration.

What the Tests Tell You

Results will reveal the level at which any of the tested substances were found in your water sample. The mere presence of these contaminants in well water does not necessarily imply that there is a problem. However, when levels exceed state or federal health standards, you should take steps to correct the situation. Several methods are available from commercial contractors to treat contaminated water. DES has informational documents on the web concerning all common water quality problems and their solutions.

For More Information

For more information about water quality testing for private wells, including information about contacting certified laboratories in New Hampshire or about preventing well contamination, contact the DES Drinking Water and Groundwater Bureau.

**AUBURN SCHOOL DISTRICT WARRANT
STATE OF NEW HAMPSHIRE**

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN THE DISTRICT AFFAIRS:

First Session of Annual Meeting – Deliberative

You are hereby notified to meet at the Auburn Village School, 11 Eaton Road, in said District, on the 2nd day of February 2009, 7:00 p.m. This session shall consist of explanation, discussion, and debate of warrant articles number 2 through 4. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

Second Session of Annual Meeting – Voting

Voting on warrant articles number 1 through 4 shall be conducted by official ballot to be held in conjunction with Town voting on the 10th day of March 2009. Polls will be open from 7:00 a.m. to 7:00 p.m. at the Auburn Village School.

- (1) To choose two (2) members of the School Board for the ensuing three years.
- (2) Shall the District vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the Warrant, or as amended by vote of the first session, for the purpose set forth therein, totaling ten million, seven hundred forty-four thousand, five hundred fourteen dollars and seventy-four cents (\$10,744,514.74)? Should this article be defeated, the default budget shall be ten million, eight hundred seventy-six thousand, seven hundred sixty-two dollars (\$10,876,762), which is the same as last year, with certain adjustments required by previous action of the Auburn School District, or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (This article does not include appropriations in any other warrant articles.)
- (3) Shall the District vote to raise and appropriate up to the sum of fifty thousand dollars (\$50,000) to be placed in the Special Education Expendable Trust Fund established in March 2003? This sum to be funded from the June 30, 2009, undesignated fund balance (surplus) and no amount to be raised by taxation. (Recommended by the School Board) (Recommended by the Budget Committee)
- (4) Shall the District vote to raise and appropriate up to the sum of thirty-one thousand dollars (\$31,000) to be placed in the School Construction Expendable Trust Fund established in March 2002 and further designate the School Board as agents to expend this fund? This sum to be funded from the June 30, 2009, undesignated fund balance (surplus) and no amount to be raised by taxation. (Recommended by the School Board) (Recommended by the Budget Committee)

Given under our hands and seal at said Auburn, New Hampshire, this ____ day of January 2009.

SCHOOL BOARD OF AUBURN, NEW HAMPSHIRE

**Auburn School District Meeting
Auburn, NH
February 2, 2009**

Moderator, James Andrus, called the meeting of the Auburn School District to order at 7:00 p.m. on Monday, February 2, 2009.

All rose for the Pledge of Allegiance.

Mr. Andrus reviewed the rules of the meeting and introduced the attendees. In attendance were Auburn School Board Members, Elaine Hobbs, Chair; Kathleen Porter, Vice-Chair, Alan Villeneuve, Clerk, Nancy Pelton, and Robert Hayes; Superintendent, Dr. Charles P. Littlefield; Assistant Superintendent, Mrs. Gail Kushner; Business Administrator, Mrs. Karen Lessard; Principal, Ron Pedro; Assistant Principal, Sean Pine; Director of Student Services, Anne McSweeney. Also in attendance was Mr. Gordon Graham, Esquire.

Article 2: Shall the District vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the Warrant, or as amended by vote of the first session, for the purpose set forth therein, totaling ten million, seven hundred forty-four thousand, five hundred fourteen dollars and seventy-four cents (\$10,744,514.74)? Should this article be defeated, the default budget shall be ten million, eight hundred seventy-six thousand, seven hundred sixty-two dollars (\$10,876,762), which is the same as last year, with certain adjustments required by previous action of the Auburn School District, or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (This article does not include appropriations in any other warrant articles.)

Discussion ensued after which time the Moderator declared that the article appear on the ballot **AS WRITTEN**.

Article 3: Shall the District vote to raise and appropriate up to the sum of fifty thousand dollars (\$50,000) to be placed in the Special Education Expendable Trust Fund established in March 2003? This sum to be funded from the June 30, 2009, undesignated fund balance (surplus) and no amount to be raised by taxation. (Recommended by the School Board) (Recommended by the Budget Committee)

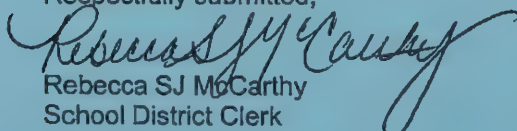

Discussion ensued after which time the Moderator declared that the article appear on the ballot **AS WRITTEN**.

Article 4: Shall the District vote to raise and appropriate up to the sum of thirty-one thousand dollars (\$31,000) to be placed in the School Construction Expendable Trust Fund established in March 2002 and further designate the School Board as agents to expend this fund? This sum to be funded from the June 30, 2009, undesignated fund balance (surplus) and no amount to be raised by taxation. (Recommended by the School Board) (Recommended by the Budget Committee)

Discussion ensued after which time the Moderator declared that the article appear on the ballot **AS WRITTEN**.

Motion to adjourn was made by Stoney Worster, seconded by Kathy Butts, and the meeting was adjourned at 7:40 p.m.

Respectfully submitted,

Rebecca SJ McCarthy
School District Clerk

**Auburn School District Meeting
Auburn, NH
March 14, 2008**

Acting Moderator, C. Donald Stritch called the meeting of the Auburn School District to order at 7:00 p.m. on Friday, March 14, 2008. He announced that the meeting would begin after the voters waiting in line had been checked in and given their voter ID cards. 392 registered voters attended the meeting.

The meeting convened at 7:10 p.m. All rose for the Pledge of Allegiance.

The rules of the meeting were explained.

Those in attendance were: Dr. Charles P. Littlefield, Superintendent; Mrs. Gail Kushner, Assistant Superintendent; Mrs. Karen Lessard, Business Administrator; Mrs. Marge Polak, Director of Special Education; Ms. Anita Johnson, Principal; Mr. Sean Pine, Assistant Principal; Auburn School Board Members: Mrs. Elaine Hobbs, Chair; Mrs. Kathleen Porter, Vice-Chair; Mrs. Nancy Pelton, Mr. Alan Villeneuve, Clerk, and Mr. Robert Hayes. Also in attendance were Mr. Gordon Graham, Esq. and Mr. Dan Bisson, Team Design, Inc.

The results of the election of Auburn School District held on Tuesday, March 11, 2008 were:

One member of the School Board for Three Years:

Elaine Hobbs	655
Write-Ins	27

Also on the ballot:

Second: Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Auburn School District on the second Tuesday of March?

Yes	537 (63%)
No	308

Article 1: To accept the reports of agents, auditors and committees or officers chosen, and place them on file.

The article was moved by Nancy Pelton and seconded by Elaine Hobbs. There was no discussion the Article.

Vote was taken and **Article 1 passed.**

Article 2: Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the Budget Committee. To see if the District will vote to raise and appropriate the sum of twenty-five million, three hundred eighty thousand, five hundred ninety-seven dollars (\$25,380,597) for the construction and original equipping of a new school building, and to authorize the issuance of not more than twenty-five million, three hundred eighty thousand, five hundred ninety-seven dollars (\$25,380,597) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon and further to see if the District will vote to raise and appropriate the sum of seven hundred sixty-nine thousand, eight hundred seventy-nine dollars (\$769,879) for the first year bond interest payment, such sum to be offset by interest earned on the proceeds of the bond; furthermore, to vote to approve a tuition agreement with the Candia School District for the education of 6th, 7th, and 8th grade students as negotiated by the School Board which, among other things, provides for an initial term of twenty (20) years beginning September 2008, and to take any further acts necessary to give effect to this resolution, including the adoption of minor amendments to the agreement from time-to-time during its term, without further action by the legislative body. (2/3 ballot vote required) (Recommended by the School Board) (Not Recommended by the Budget Committee).

The article was moved by Kathleen Porter and seconded by Robert Hayes.

Kathleen Porter motioned to amend Article 2 to suspend indefinitely. This was seconded by Robert Hayes. Kathleen Porter spoke to the motion. There was no discussion.

Vote was taken and **Article 2 was suspended indefinitely.**

Article 3: To see if the District will approve the cost items included in the collective bargaining agreement reached between the Auburn School Board and the Auburn Education Association, which calls for the following increase in salaries and benefits:

Year	Estimated Increase
2008-2009	\$128,644
2009-2010	\$138,310

and further to raise and appropriate the sum of one hundred twenty-eight thousand, six hundred forty-four dollars (\$128,644) for the 2008-2009 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (Recommended by the School Board) (Recommended by the Budget Committee).

The article was moved by Robert Hayes and seconded by Alan Villeneuve. Robert Hayes spoke to the article. There was no discussion.

Vote was taken and **Article 3 passed.**

Article 4: To see if the District will vote to raise and appropriate ten million, seventy thousand, eight hundred fifty-four dollars (\$10,070,854) for the support of schools, for the payment of salaries and benefits for the school district officials and agents, and for payment for the statutory obligations of the District. This article does not include appropriations voted in other warrant articles. (Recommended by the School Board) (Recommended by the Budget Committee).

The article was moved by Kathleen Porter and seconded by Nancy Pelton. Kathleen Porter motioned to amend the article to increase the amount by \$62,000. This was seconded by Alan Villeneuve. Kathleen Porter spoke on the amendment. There was no discussion.

Vote was taken and the **amendment in the amount of \$62,000 passed.**

Vote was taken on the total appropriation, as amended, in the amount of ten million, one hundred thirty two thousand, eight hundred fifty four dollars (\$10,132,854.00).

Article 4 passed as amended.

At this time, Elaine Hobbs recognized Director of Special Education, Marge Polak, for her services. The agreement with Hooksett to share the Special Education Director position has ended.

Elaine Hobbs also spoke to the retirement of Principal Anita Johnson, who has been at Auburn Village School for the past seven years. Both women were presented a gift with thanks from the Board.

Article 5: To see if the District vote to operate a half day public kindergarten beginning in the fall of 2008 and to raise and appropriate the sum of three hundred eighty-two thousand, eight hundred thirty-three dollars (\$382,833) for renovations, furnishing, and equipment at the Auburn Village School to provide necessary classroom space for kindergarten (said sum to be offset by two hundred eighty-seven thousand, one hundred twenty-five dollars (\$287,125) in kindergarten aid from the State of New Hampshire); and further to raise and appropriate the additional sum of one hundred eleven thousand, six hundred sixty dollars (\$111,660) to fund the operating costs including teaching positions and supplies related to the operation of kindergarten (said sum to be offset by any transition aid or adequacy aid depending on legislative action). This article is contingent upon the District receiving commitment from the State of New Hampshire that the District will receive two hundred eighty-seven thousand, one hundred twenty-five dollars (\$287,125) in kindergarten building aid (75% of the cost of construction) in the 2008-2009 school year. (Recommended by the School Board) (Recommended by the Budget Committee).

The article was moved by Elaine Hobbs and seconded by Kathleen Porter. Elaine Hobbs spoke to the article with a PowerPoint Presentation. Discussion was held on the article.

Ed Gannon moved the question, seconded by Stoney Worster.

Vote taken and the result was **Yes** to move the article.

The Moderator announced that it would be a secret ballot vote and instructed the voters on the procedure to receive their ballot and vote.
The voting results were:

YES 298 NO 94

Article 5 passed.

Article 6: To see if the District will vote to raise and appropriate the sum of seven hundred fifty-seven thousand, two hundred sixty-seven dollars (\$757,267) to be added to the School District Construction Expendable Trust Fund previously established. This money will be used to fund the Northeast Collaborative for High Performance Schools program for the proposed Auburn/Candia Middle School. Should Article 2 be defeated, this article will be withdrawn. (Recommended by the School Board) (Not Recommended by the Budget Committee).

Kathleen Porter motioned to amend Article 6 to suspend indefinitely. This was seconded by Nancy Pelton.

There was no discussion.

Vote was taken and **Article 6 was suspended indefinitely.**

Article 7: Shall we adopt the provision of REA 40:13 (Known as Senate Bill 2) to allow official ballot voting on all issued before the School District of Auburn, Non the second Tuesday of March 2008. Voting on this warrant article will be by official ballot and a 3/5 majority vote is required. Placement on district warrant is for discussion purposes only. (Submitted by petition).
There was no discussion.

Motion to adjourn was made by Elaine Hobbs, seconded by Kathleen Porter.
The meeting adjourned at 9:00 p.m.

Respectfully submitted,

Rebecca SJ McCarthy

Principal's Report 2007-2008

The 2007-2008 school year began on Wednesday, August 29th, 2007. We opened school with an enrollment of approximately 561 students in grades 1-8. There were 29 classrooms with four homerooms in grades 2, 3, 4, 6, and 7. There were three homerooms in grades 1, 5, and 8. One new professional staff members included

Mrs. Wendy Hankin in Speech and Mrs. Karen Baldasaro as our Special Education High school Coordinator.

Reading support was offered through all grade levels. Mrs. Linda McHugh, the elementary reading specialist, supervised and provided support for students in grades 1-4. Mrs. Shelley Widdison provided reading support for students in grades 5 and 6 and a reading class to those regular education students in grades 7 and 8 who do not take a foreign language. The two reading specialists also chaired the Student Assist Teams and served on the Language Arts Curriculum Committees at their respective levels.

Auburn Village School again qualified for limited Title I funding for the 2007-2008 school year. The money was used to partially fund the salary of the remedial math teacher. Math support was provided to selected students in grades 2-6. Qualification standards for services were determined by Title I grant requirements.

Building Administration continued with Anita Johnson as the Principal and Sean Pine as the Assistant Principal. Administrative services in special education were provided through a cooperative agreement with Hooksett. Marge Polak served as the Auburn and Hooksett Special Education Director and Justine Sheppard served as the Auburn and Hooksett Elementary Special Education Coordinator.

The Maintenance Department, under the direction of Peter Barbuto, worked conscientiously to provide a safe and clean facility and environment for learning. For the fourth year, we continued with the process of replacing old and worn carpeting with tile floor. We also worked on repainting classrooms and hallways. Six rooms in the middle school were tiled and repainted.

Students Assessment as linked to curriculum planning, instructional practices, and school accountability continued to be at the forefront of educational programs. For the fourth year, Auburn School District used two assessment programs to monitor students' progress and plan accordingly. The primary students in grades 1 and 2 were assessed in early reading skills a minimum of three times per year using Dynamic Indicators of Basic Early Literacy Skills (DIBELS). Students in grades 3-8 were assessed in the fall and spring using Measures of Academic Progress (MAP) testing from Northwest Evaluation Association (NWEA). The students were tested individually through the use of computers in the areas of reading and math. In addition, our students in grades 3-8 participated in the New England Common Assessment Program (NECAP) as is required by the state.

In response to federal legislation, state testing and revised state curriculum grade level expectations, SAU 15 continued their focus on examining GLE'S, rewriting them into student friendly language, prioritizing to Power Standards within each grade level and content area, and re-evaluating instructional materials and practices in light of new standards. During the 2007-2008 school year, math, technology and written language were the primary focus of professional development training and curriculum work. AVS teachers joined staff in Candia and Hooksett in these endeavors. Work and training continued through the summer months. All curriculum work was under the direction of Assistant Superintendent Gail Kushner.

Principal's Report Cont'd

Homework Club continued for the 5th year. Funding this year was through the district school budget. This program provides homework assistance after school three days a week. Two staff members are contracted to provide academic support and organizational assistance to participating students. Yearly evaluative surveys of students, parents, and staff members continue to indicate strong approval and appreciations for the program.

Our PTA continued to serve our school community in multiple ways. Officers for the year were President Deb Cheetham, Vice President Marge Hart, Treasurer John Dolan, and Secretary Elizabeth Tewksbury. A fundraiser and membership drive was held in the fall. Other income initiatives included the Box Tops for Education and the Hannaford Schools Programs. The Monster Mash was held on October 26th and the Holiday Gift Shop occurred on December 7th. Book Fairs were held in December and May. Other events included an ice cream social during our September 12th Open House, an art activity night in November, Parents' Craft Day, and an incredibly well attended Bingo night in March. The PTA again arranged after-school Red Cross Babysitting Training. This program has been well attended for the past three years. The PTA also continued to facilitate donations of waterless hand sanitizers in order to keep decrease germs through the flu and cold season. Lastly, the PTA again sponsored Children's Stage Adventures with a production *The Emperor's New Clothes*.

The PTA School Volunteer Program received the distinction of being selected for the Blue Ribbon of Excellence Award from the NH Partnership in Education for the 2006-2007 year. This was the tenth year in succession that our volunteer group has been recognized for the excellence of its program. We extend our appreciation to all our volunteers who help with school projects, classroom activities, clerical tasks, field trips and PTA business and events. Their gifts of time and effort increase the level of services and opportunities for the student of AVS.

For the fourth year we held a Middle School Awards Assembly to recognize and encourage the positive accomplishments of our middle school students in academics and beyond. The entire middle school gathered to acknowledge and celebrate each other's achievements during the year. Awards were presented for academic excellence in all content areas and participation in co-curricular activities. The assembly has become a positive addition to our middle school program.

Graduation for the 63 eighth grade students was held on June 23rd, 2008. As always, graduation was time of celebration and reflection.

Dollars for Scholars has been awarding scholarships to Auburn youth for twenty-five years. This year's scholarships were awarded at a simple ceremony in June. Congratulations to our 2007 scholars!

The 2007/2008 school year closed on June 24th, but the educational process has no end. It is a continuous collaborative effort between home and school with support of community. The children we serve and share priceless to us individually and an invaluable resource collectively to our nation and the future of our world. We appreciate the support of the parents of our student, the Auburn community, our School Board, the SAU administrative team, the PTA, the town's fire and police personnel, and others in providing a safe, enriched learning environment and educational program for the children of Auburn. Thank you for your continued consideration and cooperation.

Respectfully Submitted,

Ron Pedro
Principal

School Board Chair's Report 2008

On behalf of the Auburn School Board, it is my pleasure to issue this Annual School District Report. Over the past year, there have been some challenges and changes, yet our Auburn Village School has maintained its excellence in educating our children. The following initiatives and accomplishments deserve our acknowledgement, and I present them to give the Auburns citizens a snapshot of our plans for our educational system.

The Board and I give thanks to the community for supporting us in providing exemplary educational services to our students. Our dedicated teachers and staff, in particular, continue to provide a high quality education for the children of AVS. We truly appreciate all that they do to make student learning their highest priority. The communication between the Auburn School District and the Manchester School District has been ongoing and we continue to work as a team to provide our high school students with many educational opportunities.

The March 2007 School District Meeting was one that had excitement and disappointment. The excitement came because the Board had been committed to bringing public kindergarten to the District for many years. This was the year it was overwhelmingly supported by the community. We truly appreciate the support that brought such an important educational opportunity to our 5 year olds. Also, exciting was the passing of the two year teacher's contract and our 2008-09 school budget. The disappointment came because, unfortunately, the Auburn/Candia Middle School proposal was not voted on by the Auburn voters. The Candia voters did not support the project, so our District did not vote on it.

We would like to extend a warm welcome to our new Principal, Ron Pedro and new Director of Student Services, Anne McSweeney. They have settled in very nicely at AVS and join, Assistant Principal, Sean Pine to complete our strong team and to lead AVS.

In June, the School Board, along with the SAU administration and building level administrators, drafted our annual goals. These goals were developed from our Local Education Improvement Plan and serve to guide our initiatives throughout the year. We were extremely pleased to welcome back our Superintendent, Dr. Charles P. Littlefield, Assistant Superintendent, Gail Kushner and Business Administrator, Karen Lessard, who along with building administrators, provide us with the leadership and dedication necessary to allow us to maintain the excellent environment and the quality education offered at the Auburn Village School.

School Board Chair's Report Cont'd

The Board continues to work with all administrators to adjust to the programming and space needs of AVS. We are still concerned and vigilant about the issues and continue to discuss them on a regular basis, but with the current economic situation the Board felt that this year is not the year to bring any large or new initiatives to the voters. Furthermore, when the 2009/10 budget was being formed we took a very conservative approach.

In August, the renovation/construction of the new kindergarten classrooms was completed. It was with great joy and pride to have a Ribbon Cutting Ceremony for the community. We opened the doors to the program with approximately 40 students. This is a wonderful opportunity for our 5 year olds and will give them the jump start on education they deserve.

SB2 did pass at our School District Meeting. With this change the District has to adjust how it does business. There will not be a traditional school district meeting, but instead will be a deliberative session and voting day in March. We hope that this change will allow more people to vote and we hope that you will attend the deliberative session.

We would like to thank the PTA for all the hard work they do for our school. The volunteers are to be commended for the amazing number of hours they dedicate. In 2007, the PTA sponsored AVS's sixth engagement with Children's Stage Adventures as well as holding many other functions within the school, all to benefit the students of AVS. Through endeavors such as these and the dedication of countless volunteer hours, our PTA has once again been distinguished as a Blue Ribbon Award Recipient.

SAU 15 is comprised of the Districts of Auburn, Hooksett and Candia. As School Board members for Auburn, it is part of our responsibility to be part of the SAU 15 Board. We currently meet 4 times per year and share the responsibility of guiding the Superintendent's office. This year the SAU 15 Board has been committed to working to make the board and it's function more cohesive and more fiscally prudent. The SAU 15 website can further explain the roles and responsibilities, please visit, www.sau15.net for more information.

On behalf of each member of the School Board, I offer our appreciation for the active support of all those involved with the Auburn School District. We wouldn't be as successful without you!

Respectfully submitted,

Elaine T. Hobbs
Chair, Auburn School Board

**Auburn School District
Special Education Director's Report 2007 – 2008**

During the 2007-2008 school year, the Auburn School District continued to provide special education and educationally-related services to over 130 students between the ages of 3-21. This represents close to 14% of our student population. These students have been identified through a comprehensive referral and evaluation process, and classified in one or more of the 14 areas of disability, as defined in state and federal regulations. The services provided by the Auburn School District are individually determined by a team of people, including parents, and are designed to ensure that each child's educational needs are met within the least restrictive environment, to the greatest extent that is possible and appropriate.

A full range of special education and educationally-related services is available to Auburn students through our community-based preschool program, the K-8 Auburn Village School, and the Manchester High Schools and Pinkerton Academy. These services are described in the Auburn Special Education Policy and Procedure Manual located in both the District Special Education Office and the Office of the Superintendent of Schools. Through our local Child Find Program, referrals for students between the ages of birth and 21 who are suspected of having an educational disability can be made at any time by contacting the Principal, Director of Student Services, or the Superintendent. A Child Find Screening Clinic is held once a year and is advertised through the local media.

A continuum of educational environments is available for students identified with special needs between the ages of 3 and 21 to ensure access to the general curriculum. Opportunities for students include full or part-time participation in regular classrooms with specially designed modifications and/or special education instruction and consultation, individual or small group support within a resource setting and, in some instances, placements outside the local public schools. Numerous educationally-related services are also available, again, based upon students' individualized education programs. These include physical, occupational, and speech-language therapies, counseling, and behavior management.

The Auburn School District annually receives federal special education funds. Project applications are submitted to the NH Department of Education for approval and funding. During the 2007-2008 school year, this entitlement money was used to support in-district programs. A special education teacher and instructional aides were hired to provide direct services to students. The district also contracted with consultants in the following support areas: positive behavioral interventions, inclusionary practices for students with autism, occupational therapy, speech-language therapies, and child find screenings.

This year, federal funds were also used to provide training opportunities for faculty, staff, and parents to support the Auburn School District's mission and belief that all children will learn. Activities focused on implementing the general education curriculum, differentiating instruction, behavioral intervention, legal issues, and programming for students with autism spectrum disorders. Ongoing efforts are in place to help the school meet performance targets for Adequate Yearly Progress for students with disabilities. Faculty and staff took part in training designed to use assessment data to inform instruction, implement research-based instructional strategies, and provide additional opportunities to advance the learning of all students.

On August 30, 1999, New Hampshire RSA32:11-a became effective. This law requires that each school district provide in its annual report an accounting of actual expenditures for special education programs and services for the previous two fiscal years, including offsetting revenues. This information is included in the Special Education Expenditure section of the School District Report.

Thanks are extended to the Auburn community for their efforts on behalf of all students and for their continued support of our students with educational disabilities.

Respectfully submitted,

Anne McSweeney
Director of Student Services

Health Office Report Auburn Village School 2007-08

To the Superintendent of Schools, Principal, School Board and Citizens of Auburn:

It is the end of a busy school year once again! Through the Health Office I have:

- ◆ Offered CPR classes to staff and now have approximately 25% of the staff certified.
- ◆ Obtained for the school an Automatic External Defibrillator (AED) and instituted policy and protocol regarding its use.
- ◆ Produced a quarterly wellness newsletter sent home at the end of each marking period with all students.
- ◆ Taught hand washing in all first grade classrooms and puberty education in 5th grade classrooms.
- ◆ Arranged and facilitated Walk NH walking program for 3rd, 4th, and 5th grade students.
- ◆ Cochaired Jump Rope for Heart for 3rd and 4th grade students.
- ◆ Organized FoodPlay presentation on nutrition and fitness for elementary students
- ◆ Maintained National Certification for school nursing and as a Family Nurse Practitioner
- ◆ Team leader AVS HeartWalk Staff Team for the American Heart Association, May 08
- ◆ Received PTA Partnership Award
- ◆ Provided clinical rotation experience in pediatrics for Saint Anselm's nursing students.
- ◆ Served on the NH Association of School Nurses Board on the education committee.
- ◆ Served as Chairperson for the school wellness committee.
- ◆ Obtained an employee wellness grant, set up a committee and begun programming for staff.
- ◆ Developed 504 plans as needed for appropriate students.
- ◆ Monitored height and weight of students and screened students at various grade levels for vision or hearing issues and scoliosis.
- ◆ Developed bimonthly health educational bulletin board located outside the Health Office.
- ◆ Provided diagnosis and referral of some acute health care problems, first aid, monitoring of chronic health care conditions, and counseling to over 600 students and staff as needed.

Thank you to my assistant Carol McDougall, school staff, parents, and students and have a healthy coming year!

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Auburn School District as of and for the year ended June 30, 2007, which collectively comprise the Auburn School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Auburn School District as of June 30, 2007, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Auburn School District's basic financial statements. The combining and individual fund schedules are presented for the purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
